Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Office action mailed on October 14, 2005 was a non-final rejection due to a new ground of rejection even though it was mistakenly named as a final rejection, and the Examiner informed this to applicants a few weeks later. However, when applicants sent a reply to that Office action on 4/14/2006, the Examiner inadvertently sent out an advisory action and did not enter the amended claims. Today, the Examiner called Mr. Corless to tell him that the problem will be fixed and that a new office action will be sent out soon (and the time will be reset).
